eFinancialCareers Case Study

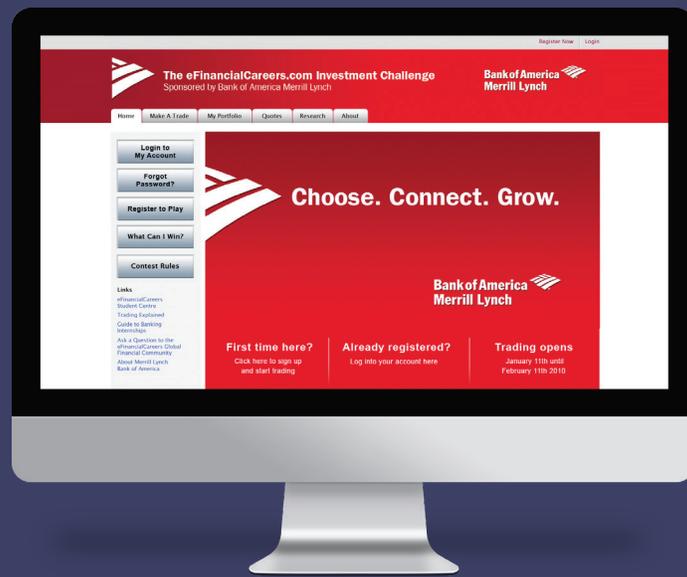

eFinancialCareers, is a leading financial services careers platform. They use different programs to engage and connect high quality candidates with opportunities in the fields of finance and technology.

What were they looking for?

A major financial institution partnered with eFinancialCareers to launch a dedicated virtual trading platform targeting university students, or recent university grads. They were looking for the best finance majors from the European Union to fill job postings based in Europe.

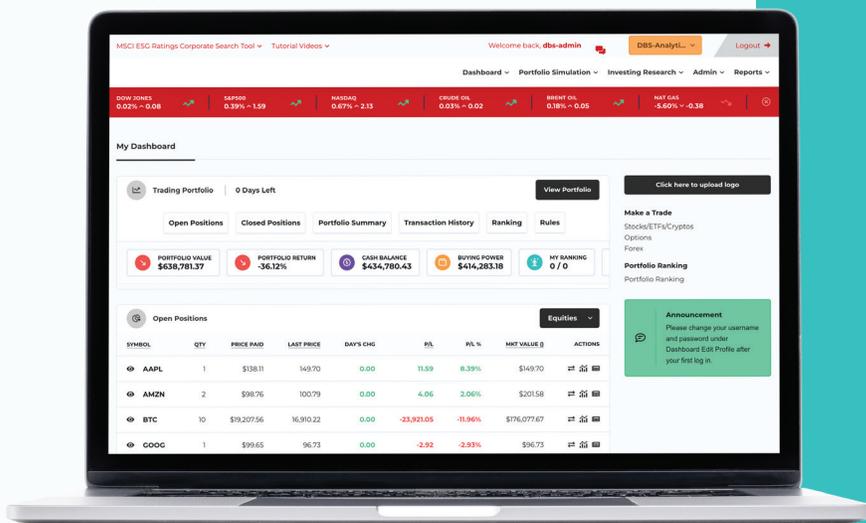

How did StockTrak help them accomplish their goals?

- Hosted a stock market challenge that was able to fill a market niche in their recruitment efforts.
- Provided demographic-data during registration, like age, income expectations, and country-specific requirements.
- Detailed portfolio performance on all participants.
- Top 100 students were interviewed based on their performance in the challenge.
- Top 500 could submit their resumes.

What features did they use?

- ✓ Turnkey solution provided by StockTrak.
- ✓ Weekly and overall rankings.
- ✓ Full reporting on transactions and trades.
- ✓ Specific registration fields tailored to their target audience.
- ✓ Customer service and technical support.
- ✓ US equities and real-time data.

Was it a success?

- It was an effective tool for attracting the largest number of high-quality candidates.
- 6,000 annual participants from over 30 countries.
- Challenges ran annually from 2006-2011.

Secure the Best Candidates for Your Organization

Create a seamless, professional experience for both you and your applicants throughout the recruitment process. StockTrak offers a uniquely engaging and customizable financial simulation experience, specifically designed to identify, and attract top talent in the finance industry.

Rankings		VIEW	Overall Ranki...	HISTORICAL DATE	11/11/2022	
RANK	USER	LOCATION	BU/SU	PORTFOLIO VALUE	TRADES MADE	% RETURN
1	Hsonchun	Hong Kong	Consumer Banking Group	2,150,281.61	48	115.03%
2	rebeccachu2022	Hong Kong	Consumer Banking Group	1,933,979.38	33	93.40%
3	stanleychu2022	Hong Kong	Consumer Banking Group	1,889,058.84	37	88.91%
